RE: Ash v. Maglan Capital Holdings LLC et al., 19-cv-5650

Dear Judge Engelmayer:

We represent Plaintiff Isaac Ash and write jointly with Defendants to advise Your Honor that the Parties have agreed to terms that would settle the above-captioned action in its entirety. Accordingly, the Parties respectfully request that all deadlines, including this Monday's deadline to file the joint pretrial order and motions in limine, be extended by one week to give the Parties the opportunity to memorialize the settlement and file a notice of dismissal with the Court.

Respectfully submitted,

The Court extends the deadline for the filing of a joint pretrial order and for opening motions *in limine* by one week, until April 5, 2021, and the deadline for oppositions to motions *in limine* until April 7, 2021. These deadlines will not be further extended. That is because, in the event that the parties do not complete the process of settlement, the trial in this case must and will go forward on the dates the Court has set aside (April 20-23). Counsel are therefore advised to complete the settlement process, and submit a stipulation of discontinuance, on or before April 5, 2021.

SO ORDERED.
